

IMMORTALIZED PRIMARY CELLS

Immortalized CNS primary cell lines

- Immortalized human astrocyte cell line
- Immortalized human microglial cell line
- Immortalized human brain microvascular endothelial cell line
- Immortalized human brain vascular pericytes

Immortalized Skin primary cell lines

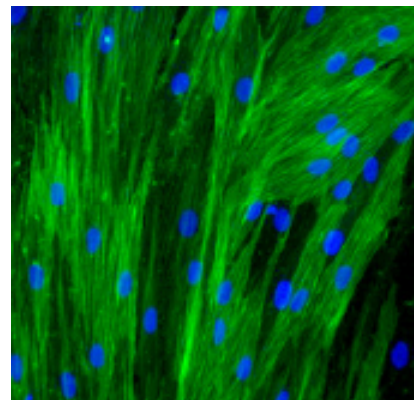

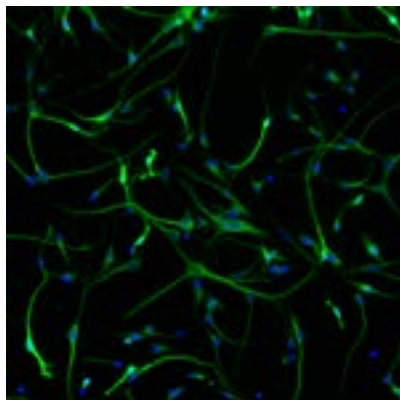

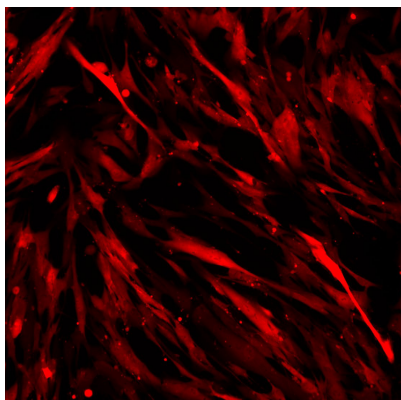

- Immortalized human dermal microvascular endothelial cell line
- Immortalized human dermal fibroblast cell line

Immortalized Skeletal primary cell lines

- Immortalized human osteoblast cell line
- Immortalized human synoviocyte type-b cell line
- Immortalized human chondrocyte cell Line
- Immortalized human tenocyte cell line

Other Immortalized primary cells

- Immortalized Human Cardiac Fibroblasts
 - Immortalized Human Hepatic Stellate Cells
 - Immortalized Human Liver Sinusoidal Endothelial Cells
 - Immortalized Human Colonic Fibroblasts
 - Immortalized Human Pancreatic Stromal Cells
 - Immortalized Human Bladder Smooth Muscle Cells
 - Immortalized Human Aortic Endothelial Cells
- and more

HUMAN & ANIMAL PRIMARY CELLS

Skin Cell System

- Dermal Fibroblasts
- Epidermal Melanocytes
- Epidermal Keratinocytes
- Dermal Microvascular Endothelial Cells
- Dermal Lymphatic Endothelial Cells

Renal Cell System

- Mesangial Cells
- Fibroblasts
- Proximal Tubule Epithelial Cells
- Glomerular Endothelial Cells
- Podocytes

Lung Cell System

- Fibroblasts
- Microvascular Endothelial Cells
- Bronchial Epithelial Cells
- Alveolar Epithelial Cells
- Tracheal Cells

Ocular Cell System

- Corneal fibroblasts & Epithelial Cells
- Retinal Pericytes & Endothelial Cells
- Conjunctival Fibroblasts & Epithelial Cells
- Retinal Pigment Epithelial Cells
- Iris Pigment Epithelial Cells

Cardiac Cell System

- Fibroblasts
- Microvascular Endothelial Cells
- Cardiomyocytes
- Valvular Interstitial Cells
- Aortic Cells

CNS Cell System

- Cortical & Hippocampal Astrocytes
- Cortical Neurons
- Microvascular Endothelial Cells
- Vascular Pericytes & Smooth Muscle Cells
- Meningeal Cells

Liver Cell System

- Stellate Cells
- Sinusoidal Endothelial Cells
- Intrahepatic Biliary Epithelial Cells
- Hepatocytes
- Kupffer Cells

Other Cell Systems

- Keratinocytes, Melanocytes and Fibroblasts
- Osteoblasts, Chondrocytes & Synoviocytes
- Umbilical Vein Cells
- Pancreatic Cell types
- and more....
